GreensPro® 1240

F E A T U R E S

- *Offset smoothing rollers deliver unmatched roll consistency*
- *Fully adjustable operator platform for comfort and safety*
- *Independent, articulating smoothing heads follow undulations, preserving natural contours*
- *Light tongue weight makes maneuvering surprisingly simple*
- *Innovative wheel caddy system for effortless transport to roll conversion*

Unparalleled Performance and Operation.

The new GreensPro 1240 is in a league of its own. Featuring 18 significant upgrades, the GreensPro 1240 delivers exceptionally smooth and fast greens with a superior operator platform. The split, contour following smoothing rollers perfectly follow undulations delivering exceptionally smooth putting surfaces. The operator platform is fully adjustable for unmatched comfort and operator safety. The new transport system featuring a QuickLatch coupler makes transporting from green to green unbelievably quick and simple.

Exceptional greens rolling and ultimate usability.
That's the GreensPro 1240.

Offset smoothing roller design for uniform greens appearance and playability
